Special Enrollment Notice and Certification – *Please review and sign below if you wish to waive coverage*

By signing below, I certify that I have been given an opportunity to apply for coverage for myself and my eligible dependents, if any. I understand that if I am declining enrollment for myself or my eligible dependents (including my spouse) because of other health insurance or group health plan coverage, I may be able to enroll myself and my eligible dependents in this plan if I lose, or my eligible dependents lose eligibility for that other coverage (or if the employer stops contributing towards my or my eligible dependents' other coverage).

I understand that I must request enrollment no more than 31 days after the date the other health plan coverage ends (or after the employer stops contributing toward the other coverage). If I do not do so, I will not be able to enroll until my employer's next annual open enrollment period.

I understand that if I have a newly eligible dependent as a result of marriage, birth, adoption, or placement for adoption, I may be able to enroll myself and my eligible dependent(s). However, I must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

I understand that in order to request special enrollment or obtain more information, I should contact my group administrator.

Section Five: Section 125 Premium Only Plan (POP) Salary Reduction Information

Unless you request otherwise in writing, your portion of medical, dental and vision premiums for the benefits you elect will be withheld on a pre-tax basis. If your portion of premiums is withheld on a pre-tax basis, you will not be allowed to change your election during the plan year unless you have a change in status or other qualifying event as defined in the Plan and IRS regulations. Your eligible premiums are subtracted from your gross pay before federal, state, and Social Security (FICA) taxes are applied. By reducing your gross taxable income, you lower the amount of your income that can be taxed.

- Your annual tax withholding (W-2) statements will reflect your reduced taxable income.
- Your *gross annual earnings* are not impacted by participating in the POP. This amount will continue to be used to determine any future salary increases and/or 401(k) contributions (if applicable).
- Social Security taxes are reduced on salary amounts up to the IRS maximum allowance. If you earn more than that, your tax savings might be slightly less because you may not get the full advantage of paying less FICA taxes. However, you will still get the advantage of paying less Federal and State income taxes. Your Social Security benefit may also be slightly reduced as a result of your election.
- The administrator is authorized to automatically adjust the amount of your salary reduction if it is necessary to satisfy certain provisions of the Internal Revenue Code or as a result of changes in premiums for the benefits you elected.
- Prior to the first day of each Plan Year if you do not return a new enrollment form you will be treated as having elected to continue this benefit election for the new Plan Year. This salary reduction agreement will continue by its terms in the amount of the required contribution for the benefit option for the new Plan Year.
